

Farewell Stephanie

Members of the LBTC and numerous members of the Boston fancy will miss Steph. She came into this world July 29, 1948. From the time she was a little girl she owned and loved Bostons. As she grew older, she developed a real love for the sport and was an excellent handler. Steph showed many of her own Bostons, as well as other peoples. She had a keen eye for identifying a good Boston. Many times one could see her helping a novice at ringside, even so far as taking the dog in the ring. She was generous with her time and advice. Steph was an excellent friend, always there to help when needed. She fought cancer for many years and even when she was loosing the battle her generosity to the LBTC continued financially. She departed this world February 23, 2009. and met her beloved Bostons at the "Rainbow Bridge". May you rest in peace, Steph.
